User Guide

Admin Page

In order to edit the database, you must log in to your account at "127.0.0.1:8000/admin". You can get to this page by clicking the "Login" button on the navigation bar.

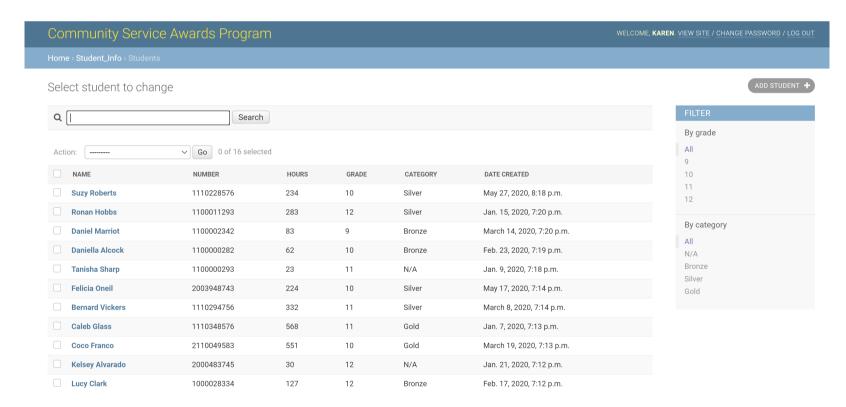

Users & Groups

There are two types of groups that the users can fall into: Administrator and Viewer

- Administrator: full access (can edit and view everything)
- Viewer: read-only (can view groups, users, and student information)

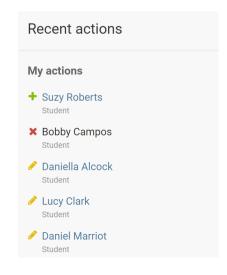

Student Information

Once you log in, you will be able to edit users and student information. Each time you add a student, the date of creation and the award category (calculated based on hours) will be automatically generated and stored in the database.\nYou can also sort and filter student data.

Recent actions

Under "Recent actions", you can view your history (only administrators can see this).

Home Page

You can access the home page at "127.0.0.1:8000". On the home page, you can see the total chapter hours, the number of students under each award program category (bronze, silver, gold), and the student information. You can filter the student information by name, student number, grade, hours, and award category.

Monthly Report

To view a pdf of the monthly report, select a month and year and then click "View Monthly Report". In the report, you will be able to see the total chapter hours, number of students in each award category, and the student information for the selected month.
